## ***Reading***

*You are going through Ketu Mahadasa and you are completing Ketu-Venus dasa. When you look at your dasa time period, I request you to not look into the date and month. Only look at the time duration.*

*Here you Ketu-Ven is*

**Ket-Ven**

**11/12/2015**

**09/02/2017**

*So, calculate like from late 2015 to early 2017. Ketu is in the 7th house of long term relationships, legal ties, spouse, partners in life and partners in business, vitality, potency, fertility, passion, outgoing nature, adultery, moral conduct, pleasures, comforts and life in foreign lands, success in love affairs, conjugal life, home abroad, travel, trade or business, and expansion. Ketu is in the sign of Mars , Scorpio which is a water sign and a fixed sign. It is conjunct with Jupiter*

*Ketu is in the nakshathra os Jyeshtha whose ruler is Mercury*

**Ket(R)**      **Scorpio**      **23.36**      **Mar**      **Jyestha**      **3** **Mer**      **Mar**

*Hope you know that Jyeshtha nakshathra is a gandantha nakshathra. It's deity is Indra or chief of the gods. He can be seen as a very strong god, but always he is in wars to impose his superiority. So in Ketu dasa, you may have to struggle. But at the end Indra always wins by adopting different strategies. Since your 8<sup>th</sup> house is a water sign, you may need more focus in facing the issues during this entire Ketu dasa.*

*Mercury , the ruler of Ketu*

**Ket(R)**      **Scorpio**      **23.36**      **Mar**      **Jyestha**      **3** **Mer**      **Mar**

*Owens 2 houses, they are 2<sup>nd</sup> house and the 5<sup>th</sup> house. So, the matters allotted to the 2<sup>nd</sup> and 5<sup>th</sup> house will be very much important during this entire Ketu dasa.*

*2<sup>nd</sup> House*

*wealth, family, livelihood, nourishment, male child, higher education, professional position, spouse, continuance of married life, possession*

### *5th House*

*intelligence, emotions, discernment and discrimination, intellectual and mental talents, memory, creative intelligence, emotional happiness, speculative gains from investments, organizational ability, success, progeny, children, knowledge, wisdom, higher learning/education, training, social life, inclinations, spiritual pursuits, disciples and students*

*Ketu has 3 aspects. It aspects 5<sup>th</sup>, 7<sup>th</sup>, and 9<sup>th</sup> house from where it sits. From the 7<sup>th</sup> house Ketu aspects 11<sup>th</sup>, 1<sup>st</sup>, and 3<sup>rd</sup> house.*

### *11<sup>th</sup> House*

*income, prosperity, gains, profit, friends, elder brother or sister, hopes and aspirations and their fulfillment*

### *1st House*

*Person, his innate nature and state of health, vitality, longevity, happiness, personality, appearance, prosperity, general disposition in life, reputation and status, desires and their fulfillment*

### *3rd House*

*younger brothers or sisters, neighbors, courage, physical strength, sports, initiative, entrepreneurial nature, the power of understanding (learning), communications, short journeys, initiation into spiritual techniques, writing and communicative capability*

***What is the current position?***

*Ket-Sun*

*09/02/2017*

*17/06/2017*

*Right now you are going through Ketu-Sun dasa. During any dasa, the houses which dasa lord sits will be transforming. Here Ketu is in the 7<sup>th</sup> house with Jupiter. Ketu and Jupiter, both are activating the 7<sup>th</sup> house.*

*Ketu has 3 aspects. It aspects 5<sup>th</sup>, 7<sup>th</sup>, and 9<sup>th</sup> house from where it sits. From the 7<sup>th</sup> house Ketu aspects 11<sup>th</sup>, 1<sup>st</sup>, and 3<sup>rd</sup> house. Jupiter has 3 aspects just like 5<sup>th</sup>, 7<sup>th</sup> and 9<sup>th</sup>. So there will be a huge focus in the matters of 11<sup>th</sup>, 1<sup>st</sup>, and 3<sup>rd</sup> house. As I told over the phone, you should not look at the exact month and date where a dasa starts or ends. It rarely happens like that. You should always be flexible in counting the time duration. Please consider 3 months before and after.*

*So during this dasa*

**Ket-Sun**

**09/02/2017**

**17/06/2017**

*The 7<sup>th</sup> house, 11<sup>th</sup>, 3<sup>rd</sup> and 1<sup>st</sup> house will get activated by the influence of Ketu and 6<sup>th</sup> house and 12<sup>th</sup> house will get activate by the influence of the Sun. The Sun is in the 6<sup>th</sup> house conjunction Saturn and Sun has only one aspect that is on the 12<sup>th</sup> house.*

*This is a complex calculation, you can understand if you are aware well about the aspect of the planet.*

*The Sun will activate Saturn also, so Saturn has 3 aspects . It will aspect the 3<sup>rd</sup>, 7<sup>th</sup> and the 10<sup>th</sup> house from where it is placed. Here Saturn is in 6<sup>th</sup> house from 6<sup>th</sup> , it is aspecting 8<sup>th</sup>, 12<sup>th</sup> and 3<sup>rd</sup> house.*

## *6th house*

*long term relationships, legal ties, spouse, partners in life and partners in business, vitality, potency, fertility, passion, outgoing nature, moral conduct, pleasures, comforts and life in foreign lands, success in love affairs, conjugal life, home abroad, travel, trade or business, expansion*

Rah(R) Taurus 23.36 Ven Mrigasira 1 Mar Mar

*During this time period you will go through transformations. Rahu is in the 1st house of self and personality. Foreign travels, career related trainings, new opportunities at home, family, real estate deals, health related concerns, new agreements and some minor struggles is seen.*

- ***Can i avail financial support from bank.***

*Your 8<sup>th</sup> lord is in 7<sup>th</sup> house. The 8<sup>th</sup> house means finances, investments, loans and insurances. You can avail loan, and you will be having extra loans like credit cards, buying products in EMI since the 8<sup>th</sup> lord is in 7<sup>th</sup>.*

*I will explain the current scenario*

*Jupiter becomes Retrograde On*

*February 06, 2017 (Monday) at 12:12*

*Jupiter becomes Progressive On*

*June 09, 2017 (Friday) at 19:40*

*Saturn becomes Retrograde On*

*April 06, 2017 (Thursday) at 10:34*

*Saturn becomes Progressive On*

*August 25, 2017 (Friday) at 17:19*

*Jupiter is in Virgo and moving back to Leo. This move is triggering your 5<sup>th</sup> house and 4<sup>th</sup> house. By June 2<sup>nd</sup> week Jupiter will be back to your 5<sup>th</sup> house. This transit Jupiter will aspect 9<sup>th</sup>, 11<sup>th</sup>, and 1<sup>st</sup> house.*

*Saturn is in Sagittarius which is triggering your 8<sup>th</sup> house of loans. It will go back to your 7<sup>th</sup> house on April 06, 2017 (Thursday) at 10:34 then your 21/2 saturn period will start again. Then Saturn will come back to 8<sup>th</sup> house on August. When I looked at the chart I could see delays more. That's why I asked you whether it got delayed or your application got rejected any time.*

*So, you should apply when Jupiter is still in Leo and Saturn is in Sagittarius. Jupiter is your 8<sup>th</sup> lord , so Jupiter in Leo time period, will show positive results in re applying for those things which got rejected earlier.*

*These were your questions*

- *What is the current position?*

*Your current position is dissatisfactory and you are not feeling great about your work, but Sun is in the 7th sign and*

*in 6th house conjunction Saturn. The 7th lord Venus is in conjunction with 12th lord which is a Vipreet Yoga. You will go through struggles for sure, but you will survive.*

- *Is it a good time to change the job?*

*There will be changes in personal and professional life during Ketu dasa, so I request you to somehow adjust until Ketu-Moon. The chances to join new groups starts from then onwards and run till Ket-Mars.*

- *How is my present time?*

*Present time is full of mental struggles than physical struggles. I mean you more anxious and worried. Such mental state is common during Ketu dasa. Ketu is Moksha karak, so you will always think about life in a philosophical way.*

## **Remedies**

*I myself going through Ketu dasa. Mine started in 2010 and I suffered until 2013. Then I did not look back. This time which I go through is not at all bad for me. I was asked to wear gemstones, poojas and so havans. I did not do any of that sort. All I did was having a prayer time with lord not less than 30 minutes daily. I am a monotheist and I just went to solitude and had a direct communication with lord. I asked my lord to make me wise to deal with the struggles. He opened my mind and wisdom. From my experience, I would*

*say, stick on to a spiritual mode of life during Ketu dasa. There is no other remedy than being holy and spiritual. You should not venture into any unholy thing like drinks, drugs, cheating, flirting, loose talks or anything which is against Lord. Ketu is very strict about being holy and people go tensed during Ketu because they did bad in Mercury dasa. Your Venus dasa will come in 2022 and You Will get many opportunities to be happy. I waited patiently, with pain and prayers throughout my Ketu dasa and I learned many great lessons so that I can use my Venus dasa very well. So, don't get emotionally weak by looking at the present struggles. If you are dealing with any unlawful means, then Ketu dasa will become harder and it may create unnecessary struggles. During the Ketu dasa our purity, respect, character and faith will get tested. Only those who overcome this will survive this dasa. Otherwise they will dig their own grave by doing bad deeds. You must start a spiritual program, it can be learning occult, or advising people on their financial matters. Or*

*teaching, or counseling. You are a healer and the universe is signaling you about your hidden, but strong capacity.*
