Marriage and Relationship

Ascendent Chart(Lagan Kundli)

Navmansha Chart

You are born as Leo(chingam) Lagna and Moon is in the sign of Kumbha. Your lagna is the 1st house which indicates personality and person. Then the 7th house, which is the opposite house indicates your spouse. The 7th house is ruled by Kumbham and it is ruled by Saturn. So, your spouse is represented by Saturn. In your chart Saturn is in the 9th house of luck, fortune and foreign lands. Saturn is in a debilitated mode,

Sat Aries 11.00 Mar Ashwini 4 Ket Sat Deb

However, it is getting neecha bhang, but not Neecha bhang rajayoga due to the aspect of Mars.

The 7th lord going to the 9th house indicates the spouse will come from a distant place. Since the 9th house indicates foreign place, the spouse can come from a place, where different culture exist. Like a person from same caste, but brought up in a different country, place or culture. Since the Neecha is getting cancelled without Rajayoga, there will be some delay regarding marriage.

The navamsa chart is better than lagna, the marriage will be better after sometime; still this will not be an easy marriage. Because in both the chart, Saturn, the lord of spouse is not in a great mode. So, you need to make a lot of adjustments in the marriage.

For a man, Venus indicates spouse and it is in the 10th house of the chart and in the sign of Taurus. So, there are clear chances for you to meet her in a home like environment, your family also will be involved with the marriage. You will see her first when there is something connected with water body, finance, money,

you may see a Scorpio , a picture of scorpion or something related to Scorpion and in a set up connected to mantra and tantra.

You will surely know her much before the marriage through long trips, through social media or friend circle but your family also be involved in it.

Marriage timing

Jup-Mon

03/10/2026

02/02/2028

The marriage timing will come in Jupiter Moon dasa

In that dasa, Jupiter will come to your lagna by 2026 and it will leave leo by 2027, so, during that time you will get chances to form relationship. That is the most prime time in your life in order to get into a relationship.

Before that there is a chance in 2022, when Jupiter moves into Kumbham , but it will be good for you to wait until 2026 as your 7th house of marriage will be strong than now during that time.
